GLENDALE TO BEGIN WORK ON NEIGHBORHOOD IMPROVEMENT PROJECT FOR ORCHARD GLEN

GLENDALE, Ariz. – Residents in the Orchard Glen neighborhood will notice some street construction in their neighborhood beginning this week.

The neighborhood received a Glendale Neighborhood Improvement grant of \$185,341, funded by Community Development Block Grant funds, to improve the right-of-way area located along 60th Avenue, from Glendale Avenue to Lamar Road, and from 59th Drive to 60th Avenue along Lamar Road. Improvements include the removal of existing trees located in the right-of-way and installation of new decorative lights.

The Neighborhood Partnership Office administers a grant program that funds revitalization projects twice a year to assist neighborhoods more than 15 years old. Citizen participation and involvement are key components of the program.

For more information on this program, contact the Neighborhood Partnership Office at 623-930-2868 or visit www.glendaleaz.com.
